

A GOD
THAT IS WORSHIPPED
FOR THE SAKE OF WORLDLY FULFILMENT IS
NOT GREAT.

Professor Sadegh Angha

ADAM

Thus for sure, Adam pure at first was he
And, attributes of God hidden through him
The tablet of his soul is pure
Who is Adam? Manifestation of God's Essence
Inconceivable, incomparable, and unique
Seek unity in multiplicity
Omniscient Adam, though stand for His Essence
And, yet the best mirror reflecting God's Essence was he
In him essence is present, [without sameness].¹

MOMENT

IN TRUTH, THE WHOLE OF
BEING IS A MOMENT
AND THE SECRET OF THE "MOMENT" IS
COSMOS EVIDENT
AND, ADAM IS THE MYSTERY OF COSMOS.²

FOR THE SAKE OF WORLDLY FULFILMENT IS
NOT GREAT.

Professor Sadegh Angha

SELF

For a while I thought I was seeking the path of God
But, I was scrutinizing "I" and "we" as if
They were markers pointing to the Path
When love arrived and the "I" and "we" removed
Then, Selfhood departed, and annihilated re entered,
I sought my "Self" every where.³

NONE EXIST BUT HIM

VEILS

TEAR VEILS UPON VEILS COVERING THE "INNER"
OF EVERY POSSIBLE EXISTENT.

THUS SEEK UNION WITH THE ULTIMATE CAUSE
OF ESSENCE

IN MANIFESTATION AND IN ATTRIBUTES.⁴
